

January 20, 2009

Greeting,

The Delaware Office for the Deaf and Hard of Hearing (DODHH) is pleased to announce that visor communication cards are available through the DODHH Office. The visor communication card is available on a voluntary basis (only if you want one). The visor cards are for individuals who are deaf, hard of hearing, oral deaf and severely hard of hearing.

The visor communication card is laminated and 10 ½ by 4 ½ inches size. It is thin and lightweight. It is designed to fit under the sun visor for quick communication access in traffic stops or other interactions with law enforcement. On the front of the card is information to instruct to the police officer, and on the back of the card are tips to instruct to the driver in using the visor card.

To request a visor communication card, please fill out the request for information form and please remember to specify if you are deaf, hard of hearing, oral deaf or severely hard of hearing. Visor cards are limited to one per person, and only residents of Delaware are eligible.

To obtain an application form for a communication visor card, contact:

- Failure to cooperate with verbal commands means I may not hear you.
- Look at me when you speak.
- I may not read lips. I may use a hearing aid.
- For simple communication, writing notes may help, but not always.
- Night time stops using a flashlight in my face will prevent me from seeing any gestures.
- A qualified interpreter may be required based on the severity of the offense. Officers should follow departmental policy.
