

JOB-READY IN JUST 14 WEEKS

Students will earn certifications in: CPR, Forklift, OSHA 10, and be eligible to sit for National Manufacturing Skill Standards Council certifications in specialized areas.

For more information, and to RSVP please call 302.259.6384.

To be eligible for this training, you must attend an information session.

Information sessions are held at the Environmental Training Center at Delaware Tech's Owens Campus, Georgetown, DE.

Sessions are : June 15th, 22nd, 29th; July 6th and 8th at 9 am or 6 pm

FREE Training for Unemployed and Underemployed Individuals

You may be eligible to earn a spot in a FREE Manufacturing Training Skills Program sponsored by Delaware Tech and the Delaware Department of Labor. Qualified individuals will receive 600 hours of training that will include classroom simulations and hands-on demonstrations in the areas of electrical, mechanical, production, and safety.

The training program will take place at Delaware Tech's Innovation & Technology Partnership Center, located behind the Woodbridge Middle School in Bridgeville, DE. Classes will meet 8:30 am to 4:30 pm, every other day starting August 1, 2017.
